ABOUT THE COLLEGE

Janki Devi Women's College, Patna is an Institution striving to achieve excellence and to empower women. A constituent college of Patliputra University, the college was founded on 13th September 1971. Today we have robust student strength of more than 7000 students, 60 distinguished faculty members and several members of Non-Teaching staff. The college provides an ideal learning environment for young women as they embark on their journey of life. We offer courses in Humanities, Commerce, and Science to students, who come from an eclectic background. We also offer programs like BCA, MCA, BBM and MBA.

The mission of the college is to provide quality education to students and nurture individual talents. Innovative teaching methods including experimental activities, project work and field work are an inherent aspect of the teaching learning process of our college.

About FDP

Faculty Development Program (FDP) is a tool for fostering knowledge and professional skills of faculty members, in order to improve their performance in education, research and administration as well as augmenting organizational capacities and culture. Such program helps the faculty members in augmenting their instructional capabilities and improves their understanding of professional responsibilities as educators, researchers and administrators. FDPs are also useful for career and personal development of the faculty members which emphasizes upon life planning, interpersonal and communication skills of faculty members.

This FDP is specifically designed to discuss, deliberate and understand Indian Knowledge system in perspective of NEP 2020 and professional ethics in Higher Education Institutions. The early career researchers, academicians and other participants will have a great opportunity to learn from the esteemed panel of experts who shall be delivering talks on various issues related to our topic.

The purpose of this program is to provide an opportunity for distinguished scholars / researchers and teachers to engage with the faculty members and to share their experiences and perspectives relating to the topic.

THEME

National Education Policy (NEP) 2020 came into force to spread traditional knowledge of India that is both sustainable and strives for the welfare of all. Ministry of Education has established Indian Knowledge System in 2020 with a vision to promote interdisciplinary and trans-disciplinary research on all aspects of Indian Knowledge System (IKS) to preserve and disseminate this knowledge for further research and societal applications. The FDP will try to cover some of these aspects.

To highlight the pivotal role of professional ethics in offering the Faculty members a better understanding of their responsibilities, duties, rights and institutional obligations as they work to provide quality education. To explore the requisite modifications of the Teachers' code of Ethics in relation to the usage of information and Communication Technologies. To examine the validity, reliability and application of professional ethics in the higher education.

SUB THEME

- Challenges of Indian Knowledge system in the age of science and technology.
- Indian Knowledge system with special reference to yoga and Ayurveda.
- Indian Knowledge system and Global Challenges
- Indian Knowledge system and gender issues
- Role of Professional Ethics in the development of Higher Education.
- Principles of Professional Ethics for Intelligent Communities.
